

## DRESS CODE

It is important that dancers have the proper attire and shoes for their classes. We will have a small inventory of dancewear at the studio. There are also many dance stores nearby including:

SAS Dance Supply, The Dance Bag, Madison's Dancewear, St. Louis Dancewear, and many more.

- Please have your shoes fitted at the studio or a dancewear store, many dance shoes fit differently than street shoes and we want the right fit to help prevent injuries and to develop proper technique.
- Hair should be in a ponytail or another style that is up and off of the face for all classes except ballet, in ballet hair needs to be in a secure bun.
- No jewelry that dangles, no costumes or play clothes, these things can be a safety hazard and a distraction.
